Billious Colic.

H. Seever, a carpenter and builder of Kenton, Tenn., when suffering intensely from an attack of bilious colic, sent to a near by drug store for something to relieve him. The druggist sent him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, three doses of which effected a permanent cure. This is the only remedy that can be depended upon in the most severe case of colic and cholera morbus. Most druggists know this and recommend it when such a medicine is called for. For sale by all druggists.

Congressman Wheeler, like the great showman, Barnum, believes in publicity, his little harangue the other day gave him more free advertising than hundreds of dollars would purchase. Mr. Wheeler was playing to the galleries and Bryanite Democracy and seems to have succeeded in getting what he wanted. His remarks were very indiscreet, but what does the average Democratic Congressman care for discretion, as compared with publicity? As Mr. Wheeler is not a candidate for any office, and declares he is out of politics for all time to come, what difference does it make to him? Barnum once said to a reporter: "If you can't say something good about my show, say something," evidently Mr. Wheeler has the same idea of advertising. Many newspaper editors have written columns of criticisms of his speech who never knew there was such a man in congress. Others who never say anything good of him, and regret to have his name appear in their paper, have advertised him far and wide. He has succeeded in getting his name in the papers of two continents and has received the applause of the Bryanite Democracy, and no doubt he feels satisfied with having worked the whole job lot, and it only cost him thirty minutes of demagoguery.—Paducah Sun.

Mr. Wheeler Got Rid of His Rheumatism.

"During the winter of 1898 I was so lame in my joints, in fact all over my body, that I could hardly hobble around, when I bought a bottle of Chamberlain's Pain Balm. From the first application I began to get well, and was cured and have worked steadily the year.—R. Wheeler, Northwood, N. Y. For sale by all druggists.

Carried Twenty-One Miles.

A story of unusual occurrence comes from down the river, but is vouched for as absolutely true. Craig Brothers are well known farmers and stockmen who live near Woodbury, on Green River. The river has been on a tide since the recent rains and sleet, and recently a mare and colt belonging to them fell into the river. It is supposed that they went to the river to get water and that the bank caved in with them and threw them into the water. They were unable to make a landing and the swift current bore them rapidly down stream and we were not found until Sunday morning, and were lodged and supported by some drifts twenty miles down the river from where they had fallen in. Notwithstanding they had been continuously in the water from Friday night

"Something New Under The Sun."

All Doctors have tried to cure Catarrh by the use of powders, acids, cathartics and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of Catarrh, has at last perfected a treatment which reaches the afflicted parts, not only relieves at once, but permanently cures Catarrh, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "Snuffles the Guaranteed Catarrh Cure" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"Snuffles" is the only perfect Cure ever made and is now recognized as the only safe and positive cure for that annoying and distressing disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve Hay Fever or Cold in the Head.

Catarrh when neglected often leads to "Consumption" or "Stomachitis" save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure Catarrh in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "Snuffles" the "Guaranteed" Catarrh Cure.

Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. 1, E. W. B. Giles & Company, 2330 and 2332 Market Street, Philadelphia.

until Sunday morning, and had made a trip of twenty miles, they were still alive and their owners succeeded in getting them out, and they now seem little the worse for their remarkable experience.—Warren County Courier.

A young lady in Ohio met with a horrible experience one morning last week. She sat on the floor to dress and quietly pulled on her long black stockings when a tickling sensation caused a hurried investigation and a real mouse was found in the toe thereof ready and anxious to "bite a cute little piece out of her toes. And here's the betting that not a single female, young or old, who reads this will put her stockings on in the morning without first feeling in the toe for a mouse. Don't try to win this bet, for think how horrible it would be to come up against a real mouse and no chance to run from it.
